

## New Logo, New Brand, New Website!

### NEW LOGO

We are excited to announce there is a lot of newness here at Flinthills Services, Inc. starting with our new logo. We felt our previous logo needed a more modern and positive approach on how we like to live life. By updating and stylizing the iconic figure along with adding a new, flowing banner waving in the Kansas wind, showcases the many client success stories here at Flinthills Services. The two figures on the base that are holding up the top figure is signifying the support staff we have here at Flinthills Services helping our clients succeed in **Living Life with Dignity and Purpose**. Some have said they see the Kansas hills living within the moving banner of our new logo.

### NEW BRAND

To follow up our new logo and with the help of our Board of Directors and Staff we have further enhanced Our Mission, Our Vision and Our Values.

### OUR VISION

Our Vision is simple, but a very powerful statement that enables our clients a very dignified purpose in how they live their lives.

We felt this statement is so important that we have incorporated it into a sub logo repeating the success banner waving in the Kansas wind.

### NEW WEBSITE

Last, but not least we have updated our website showcasing our many services and capabilities that our clients can perform such as document shredding services, various light assembly jobs and Special Olympics. We also have improved our giving opportunities for we now have hand-made thank you gifts in return of your financial donations. Please navigate your web browser to: [www.flinthillsservices.org](http://www.flinthillsservices.org) and bookmark our site.

We are very pleased with our new direction and hope you are too. Ken Blankinship of B Door Design, is our Graphic Designer as well as the Web Designer for our new logo and website. Ken has been designing for over 30 years in the print and web media along with brand development with many businesses and non-profits.

## Director's Report

### DIRECT SUPPORT PROFESSIONALS - TRUE HEROS!

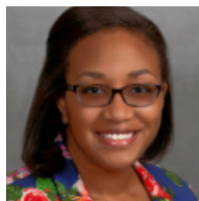

The COVID-19 pandemic has presented us with unprecedented challenges in the way we operate at Flinthills Services. Our Life Skills and production programs closed on March 17, 2020. Since then, clients living in out group homes have observed stay-at-home practices, and clients living at other agencies or with their families have had to adapt not attending Flinthills every day for socialization and skill building.

The "new normal" for some businesses includes allowing employees to work remotely or to change their hours of operation. Yet, for those working as Direct Support Professionals, working from home is not an option. Direct support for persons with developmental disabilities cannot be done remotely, through a drive-through, or curbside delivery. Direct Support Professionals come to work everyday to support our clients during this crisis and beyond. They are on the front lines, every bit as much as healthcare workers and first responders. They come to work knowing their clients depend on them, all while dealing with their own health concerns, financial worries and concerns for their own families. I have always been in awe of the dedication and commitment of our Direct Support Professionals, but now more than ever, we want to recognize them and thank them for what they do everyday

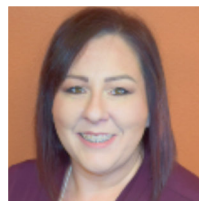

## Meet Our Administrative Team

**LOGAN SIMPSON**  
Executive Assistant

## Giving Tuesday

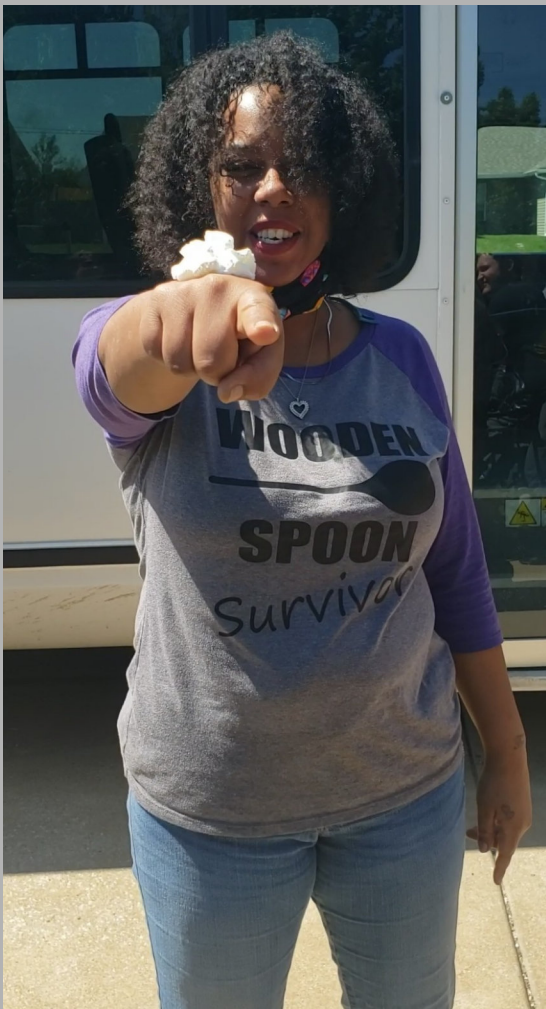

### #GIVINGTUESDAYNOW

May 5, 2020 was Giving Tuesday, a global day of giving and unity. We challenged community members to spread awareness and donate to Flinthills Services and celebrate Giving Tuesday by posting the Whipped Cream Challenge on Facebook. Our Clients and staff had a lot of fun taking the challenge, and even though we looked a little silly, we raised over \$1200! THANK YOU to those who have already donated. The Challenge will go on through the end of May so you still have time to donate by going to:

[www.facebook.com/pg/flinthillsservices/fundraisers/](https://www.facebook.com/pg/flinthillsservices/fundraisers/)

### GIVING TUESDAY WHIPPED CREAM CHALLENGE

# Give Now and Receive A Work Of Art

## HAND-MADE ORIGINAL PAINTINGS AND JEWELRY DESIGNS

We hope you've taken time to visit our new website by now. [www.flinthillsservices.org](http://www.flinthillsservices.org). We are especially excited about the **Give Now** option that provides donors with an original, hand-made piece of art or jewelry created by our clients. These one-of-a-kind creations are one way of saying "thank you" to our generous donors and we hope will serve as a reminder of the unique gifts of the persons we serve.

Get yours now at:
